

PARISH MAGAZINE DELIVERER

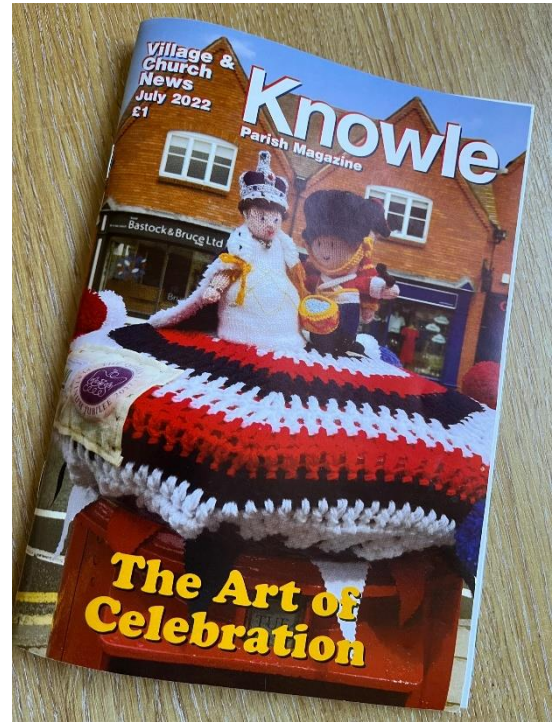

MINISTRY VISION/PURPOSE: The magazine's purpose is to share village news and to showcase all the events and activities which the church offers. The deliverers enable this to be achieved.

ROLE: Delivering the parish magazine each month to houses on a 'round' who have subscribed to the magazine.

WHAT ROLE INVOLVES:

Delivering the Parish magazine each month to subscribers in a particular locality: this involves delivering to anywhere from 5 to around 25 properties. There are currently 63 street deliverers, who deliver each month and a small team who put the magazines into bundles for 6 volunteers to deliver to those 63 street deliverers.

Collecting subscriptions once a year from subscribers.

ESSENTIAL QUALITIES FOR ROLE:

Enjoyment of a good walk. A smile and sometimes a chat are always welcome. On a few rounds, a car is useful.

TRAINING/GUIDANCE PROVIDED:

Graham Bignall visits prospective new deliverers to explain what is involved and provide written guidance instructions.
